Tips from the Panel

Be sure you have the **Disney Cruise Line Navigator app** downloaded so you can check the activities schedule - entertainment is always subject to change, so having the app on your side is always **a great way to stay informed!** You'll also use the app to stay connected with your party while onboard.

Don't forget to **look up when you enter the Grand Hall** – especially on embarkation day! A character balcony overlooks the Grand Hall, and princesses and princes alike will not only welcome you aboard the Disney Wish, but they will also appear throughout your sailing. If you **visit the Grand Hall at either 10 p.m. or midnight**, you will also be treated to an enchanting moment and a special kiss goodnight.

Disney Uncharted Adventure will send your sailing crew on a journey like no other as you explore familiar worlds, unlock hidden magic throughout the ship and embark on a quest with Captain Minnie as your guides. This experience **immerses the entire family** into a level of storytelling that is unparalleled.

The **Rainforest on the Disney Wish** encompasses both an indoor and outdoor space for adults. The indoor space features heated loungers, an aromatherapy steam room, a dry sauna, and even an ice room that sounds quite invigorating. The outdoor area is a private oasis with heated spas, and comfortable lounging areas in both shade and the sun. **It's a tranquil space** that you may never want to leave.
